Practice Management Session: Emotional Formation

Please join us for the next MSD Practice Management & Education session on **Tuesday, March 12, from 8:00 am – 9:30 am** at the MSD Conference Center in Newark, DE with video conferencing to Bayhealth Kent General Hospital. This Practice Management Session will focus on emotional intelligence, emotional formation and the need for both, the components of emotional intelligence and defining each part, and a working model for professional and personal relationship development. **This activity has been approved for AMA PRA Category 1 Credit™.** For more information and to register visit: <https://reg.planetreg.com/EmotionalFormation>.

Certified Medical Office Manager Course

MSD, in partnership with the Practice Management Institute, is offering a Certified Medical Office Manager (CMOM) course on **March 6, 7, 13 & 14 from 9:00 am to 5:00 pm** at the Medical Society Delaware Conference Center in Newark. The CMOM curriculum is a complete resource chosen by medical office professionals seeking to expand their skills and excel in a practice leadership role. Whether you are currently running a practice or want to acquire the skills to become a practice leader, the program will explain this role in detailed, easy-to-follow modules. Participants will gain a thorough foundation for managing a successful medical practice. For more information and to register, please visit <https://reg.planetreg.com/CMOM2019>. Seating is limited!

Reminder: Mandatory Reporting Training for Medical Professionals

To renew your Medical license, you will be required to attest that you have completed mandatory training required by Delaware law on how to recognize child sexual and physical abuse, exploitation and domestic violence, and your reporting obligations under the Medical Practice Act and 16 Del. C. §903. The mandatory training is required by Section 1723 of the Medical Practice Act, effective August 1, 2010. It applies to everyone licensed by the Board of Medical Licensure and Discipline. To register for training, please visit: <https://tinyurl.com/MandatoryTrainingMP>. **Note: PLEASE USE GOOGLE CHROME TO ACCESS THE TRAINING.**

CDC Offers Opioid Training Modules

Applying CDC's Guideline for Prescribing Opioids contains the final three modules in a series of training modules available for viewing from the Centers for Disease Control and Prevention. The three modules, Opioid Use and Pregnancy, Motivational Interviewing, and Fostering Collaborative Patient-Provider Relationships in Pain Management and Opioid Prescribing, include clinical scenarios, knowledge feedback prompts, and a resource library to help enhance learning.
