Delaware Details Preparations for Potential Spread of Coronavirus
The Delaware Division of Public Health (DPH) is actively taking steps to prepare for community spread of the coronavirus disease known as COVID-19, as well as provide information to Delawareans about how they can prepare now. DPH is recommending communities prepare for what they would do if community spread occurs. DPH continues to follow the CDC’s guidance, and as new recommendations are released, will continue to share that information with health care partners and the public. Tip #8 - Prepare for E/M Office Visit Changes Coming in 2021
The AMA has worked with CMS to overhaul the Evaluation and Management (E/M) office visit codes, in order to reduce documentation burdens that interfere with patient care. Physician practices are encouraged to start planning now for the operational, infrastructural, and administrative workflow adjustments that will result from this overhaul effective January 1, 2021.
