Scam Warning Reminder: DEA Special Agent Impersonators
The scheme involves criminals contacting doctors and pharmacists and identify themselves as DEA agents or law enforcement officials from other agencies stating they are the subject of an investigation and demanding money to resolve the matter. Impersonating a federal agent is a violation of federal law. The public should be aware that no DEA agent will ever contact members of the public by telephone to demand money or any other form of payment. For more information visit https://tinyurl.com/DEAAgentScam.

New CDC Opioid Trainings
The Centers for Disease Control and Prevention (CDC) has launched two new opioid trainings that support physicians in the safer prescribing of opioids for chronic pain. The modules are part of a series of interactive online trainings that feature recommendations from the CDC Guideline for Prescribing Opioids for Chronic Pain. Both modules include clinical scenarios and tools and a resource library to enhance learning. For more information and to view the training modules visit https://tinyurl.com/CDCTrainingOpioid

MSD Physician Leadership Series – The Business Side of your Practice
Join your colleagues from across the state to learn about important leadership concepts specifically designed for physicians. The “Excellence in Physician Leadership Series, A Certificate Program in Leadership Development” is a 12-week self-paced certificate program in physician leadership education and development. The program requires attendance at two live sessions. Physicians will be equipped with practical tools in finance, practice improvement, strategy, and decision-making to lead organizations in the rapidly changing world of health reform. For more information and to register visit https://reg.planetreg.com/leadershipcohort2.

New Certified Medical Chart Auditor Course
Registration open for the new Certified Medical Chart Auditor–E/M (CMCA-E/M) Course on August 15 & 16, 2019 at the MSD Conference Center in Newark. The CMCA-E/M is tailor-made for physician offices. The curriculum places emphasis on evaluation and management coding rules, medical necessity and proper E/M code selection. Participants will learn how to identify documentation deficiencies, as well as consequences and penalties for improper payments for E/M services. For more information and to register visit https://reg.planetreg.com/CMCA2019.

Medicare News
Claims update: The Modifier 50 fact sheet has been updated. Please take time to review the fact sheet to ensure that you are reporting the modifier correctly. This is effective for claims received on and after August 16, 2019. Services will be rejected as unable to process when the procedure code reported is inconsistent with the modifier used. For more information visit https://tinyurl.com/MedicareNews
