

Back Office Software

	<p>Epocrates puts your formulary in the hands of our vast physician network at the time the prescription is about to be written. We integrate up-to-date formulary information into our mobile and web-based clinical references, enabling easy access to integrated formulary and drug information at the point of care. Providers can verify formulary status and co-payment tiers, view alternative and generic substitutions, check quantity limits, and look up prior authorization requirements when making prescribing decisions</p>	<p>Epocrates Discount for MSD members</p> <p>MSD members get a discount on all Epocrates mobile and online products. Save 20% on subscriptions to Epocrates products such as the #1 rated Epocrates® Essentials. Epocrates provides point-of-care access (via mobile devices and the web) to information on drugs, diseases and diagnostics.</p> <p>Members can click here to access their discount.</p>
	<p>Release of Information Software Services: ScanSTAT provides expert document management systems and services for healthcare, legal, government and insurance industries. Our patent-pending document/image workflow system is unsurpassed in securely scanning, storing, tracking, indexing, transmitting and monitoring online any type or volume of documents and images.</p>	<p>http://www.scanstat.com/index.html</p>
	<p>PDR Network offers timely and efficient access to FDA-approved drug information and FDA-required safety Alerts, improving patient safety and reducing professional medical liability.</p>	<p>Click here for free registration</p>
