## “What we do and don’t know about Vaping”

**Special Guest Speaker: Albert Rizzo, MD, FACP**

Pulmonologist and Chief Medical Officer for the American Lung Association

**Thursday, April 29, 2021**

**Virtual Event**

**6:30 pm - 7:30 pm**

*6:30 pm - Dr. Rizzo’s Presentation*

*Followed by a Q&A session*

*Event open to the General Public*

Albert A. Rizzo, M.D., as Chief Medical Officer for the American Lung Association, is the organization's senior medical authority. Dr. Rizzo has long been a key medical advisor to the American Lung Association, a member of the Lung Cancer Expert Medical Advisory Panel and a leading media spokesperson for the Association. Dr. Rizzo is also chief of the Section of Pulmonary and Critical Care Medicine at Christiana Care in Newark, Delaware, and a member of Christiana Care Pulmonary Associates. He is board certified in internal medicine, pulmonary, critical care and sleep medicine and is a clinical assistant professor of medicine at Thomas Jefferson University Medical School in Philadelphia.
