## Governor Carney Adds New COVID-19 Restrictions on Businesses

Governor John Carney has signed the fourth revision to the omnibus emergency order, announcing additional restrictions to include: Businesses above 100,000 square feet are limited to 20 percent of stated fire capacity. All other businesses, including most retail stores and all restaurants, are limited to 30 percent of stated fire capacity. Retail below 5,000 square feet, all Houses of Worship, and funeral services are limited to 40 percent of stated fire capacity. A 10:00 pm curfew will be imposed at restaurants and bars. For the full list of restrictions visit <https://tinyurl.com/EMRDEC>.

## COVID-19 Vaccine Provider Enrollment

To successfully enroll as a COVID-19 Vaccine Provider, each facility must complete all required agreements and verification forms. You must agree to report COVID-19 vaccine administration and inventory daily 7 days a week, to the State IIS (DeIVAX), plus an additional database designated by CDC according to CDC documentation and data requirements. Training opportunities will be provided for DeIVAX inventory and ordering. To enroll visit <https://tinyurl.com/ENRLC19>.

## Storage and Handling Toolkit Updated with a COVID-19 Vaccine Addendum

According to the CDC, vaccine with ultra-cold storage requirements will be shipped directly from the manufacturer in sealed coolers that are packed with dry ice. Vaccine providers can reference the CDC Vaccine Storage and Handling Toolkit that has been updated with a COVID-19 Vaccine Addendum. The addendum provides information, recommendations to assist providers in properly storing and handling COVID-19 vaccines. For more information visit <https://tinyurl.com/VCTLKT20>.

## DPH COVID-19 Vaccination Playbook

The Delaware Division of Public Health (DPH) has released its COVID-19 Vaccination Playbook, which lays out how it expects to navigate the distribution of the COVID-19 vaccine. Due to an expected shortage of the vaccine, Delaware plans to make the two-shot series available in a multiple step approach by prioritizing population groups starting with persons serving in health care settings. To view the vaccine distribution phase plan, please visit, <https://tinyurl.com/PhasePlan>. For the full vaccination playbook, please visit <https://tinyurl.com/VACPLAYBOOK>.
