## Cyber Insurance Alert

The cyber insurance marketplace has been changing dramatically over the last few months. Frequency and severity of ransomware events have impacted the market causing dramatic rate increases as well as mandating safety requirements for current and new placements of coverage. The Medical Society of Delaware Insurance Services, Inc. (MSDIS) team has seen a significant increase in the number of current insureds who are missing several key safety measures. Carriers are placing surcharges of up to 25% onto rates if these key safety measures are not in place in your practice. To learn more about these safety measures or to review your current coverage, contact Sharon Ruth, Health Client Advocate at 302-397-0173 or via e-mail at [Sharon.Ruth@usi.com](mailto:Sharon.Ruth@usi.com).

## State Announces Expansion of COVID-19 Vaccination Program

Governor John Carney, the Delaware Division of Public Health (DPH), and the Delaware Emergency Management Agency (DEMA) announced an expansion of Delaware's COVID-19 vaccination program with a statewide focus on vaccinating Delawareans in underserved, minority communities.
