

Special Bulletin

Controlled Substance Registration (CSR) Continuing Education Requirements Deadline June 30, 2023

CONTROLLED SUBSTANCE REGISTRATION (CSR) RENEWAL:

- Two (2) continuing education hours in the areas of controlled substance prescribing practices, treatment of chronic pain, or other topics related to the prescribing of controlled substances.

Note: If you completed CE credits for your medical license, you can also use these credits to satisfy your CE requirement for CSR. You do not have to do an “additional 2 CE credits” just for CSR.

CONTROLLED SUBSTANCE REGISTRATION (CSR) NEW APPLICATION:

- All practitioners who are APPLYING for a Delaware controlled substance registration (CSR) must complete a mandatory ONE-hour, two-part course (prior to submitting application) pertaining to safe prescribing and distributing of controlled substances, treatment of pain, and recognizing and treating opioid use disorder.

All active Delaware Controlled Substance Registration holders are required to register for access to the Delaware Prescription Monitoring Program at <https://dpr.delaware.gov/boards/pmp/>.

CSR renewal must be completed through the Delpros system:
