

Q1 The Medical Society of Delaware (MSD) currently has an official position of opposing Physician-Assisted Suicide/Medical Aid in Dying. Please choose which best describes your opinion on MSD's current position.

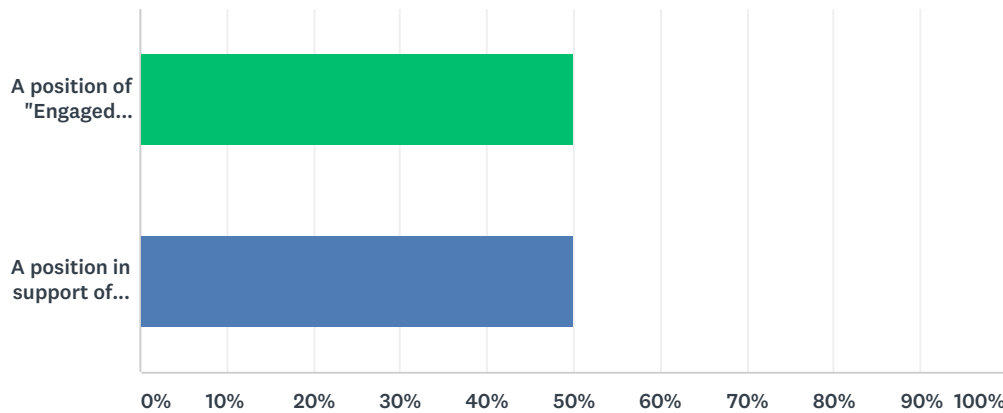

Answered: 308 Skipped: 10

ANSWER CHOICES	RESPONSES
I support MSD's current position.	59.74% 184
I do not support MSD's current position.	40.26% 124
TOTAL	308

Q2 You answered that you do not support MSD's current position. Which of the following do you favor for an official MSD position?

Answered: 124 Skipped: 194

ANSWER CHOICES	RESPONSES
A position of "Engaged Neutrality." Engaged neutrality means MSD will neither support nor oppose Physician-Assisted Suicide/Medical Aid in Dying, recognizing the right of each physician to act in accordance with his/her personally-held ethical principles and values within the patient-physician relationship based on shared decision making between the physician and terminally-ill patient, while monitoring and informing our membership on this issue.	50.00% 62
A position in support of Physician-Assisted Suicide/Medical Aid in Dying.	50.00% 62
TOTAL	124
