For a limited time, Vidyo is providing temporary licenses of the cloud-based Vidyo telehealth solution at no cost to your organization.

To get set up on this no-obligation offer, click the link below or visit our trial registration page <https://info.vidyo.com/vidyo-license.html> and a Vidyo representative will contact you.

The Medical Society of Delaware was instrumental in the passage of HB 69, otherwise known as the “telemedicine expansion bill.” HB 69 is one of the strongest patient safety and payment parity laws in the country, mandating full commercial insurance reimbursement for services rendered through telemedicine. After a significant review process, The Medical Society of Delaware is pleased to offer this important tool to its membership through its fully vetted partnerships with MEND and Vidyo.
