## Apologies from DPH

\*\*\*Editors note: Yesterday MSD shared information from the Delaware Division of Public Health (DPH) regarding a call in coronavirus information session for physicians scheduled today. Unfortunately the conference phone information they shared was inaccurate. They are aware of the difficulty this presented to our members and we have relayed your concerns.

*For more information and resources regarding COVID-19, MSD has created a Coronavirus resource page on our website. [View resource page.](#)*
