

Medical Society of Delaware
LEADING THE WAY TO A HEALTHY DELAWARE

COVID-19 UPDATE

4-14-2020

In an effort to keep Delaware's medical community current on the latest information regarding the coronavirus crisis, the Medical Society of Delaware is sharing the following:

DPH Announces 165 New COVID-19 Cases and Two Additional Deaths

According to the Delaware Division of Public Health (DPH), **165** new Delawareans have been diagnosed with COVID-19, taking the total number of lab-confirmed cases to **1,926**, including **217** who are hospitalized, **45** of whom are critically ill.

Forty-three individuals have died due to COVID-19 in Delaware. The most recent deaths involved:

- 83-year-old female from Sussex County, long-term care facility
- 70-year-old female from Kent County, hospitalized

Telehealth Financial Support Program Open

The Federal Communications Commission has opened the application portal for the COVID-19 Telehealth Program. The program will provide \$200 million in immediate support to eligible health care providers to help them furnish critical telehealth services during the coronavirus pandemic. [Read more.](#)

Delaware Medical Journal Call for Papers

Share your COVID-19 experiences with the readers of the *Delaware Medical Journal*. Submit your abstracts, case studies and scientific manuscripts as well as experiences and observations. This is a unique opportunity to share

information affecting everyone in health care. Submit your articles to Mary.Fenimore@medsocdel.org. [Learn more](#).

MSD Interim Council Meeting Cancelled

The Medical Society of Delaware Interim Council Meeting that was rescheduled for May 14th, has been cancelled for 2020. Our apologies for the change in plans.

Canadian Physicians Share Their Voices

To add a little beauty and solidarity to your day, we share this music video of Canadian physicians joining together virtually to share their voice and spirit during this extraordinary time of stress and uncertainty. [Watch video](#).

For more information and resources regarding COVID-19, MSD has created a coronavirus resource page on our website. [View resource page](#).
